NOTES:

1. The **italicized** cars in the list are the ones owned by MG-TABC members.
2. This list of MG-TA,TB,and TC Police Cars has been obtained from the wonderful book on MG police cars used in the UK, titled, **M.G.s on Patrol, The M.G. Police Cars and the Men and Women who used them, by Andrea Green**
3. There is no doubt that there are additional TA, TB and TC's that started life in police service and you are encouraged to add to this list.
